

SEEKING RESEARCH PARTICIPANTS

Have you experienced discrimination
when applying for rental housing?

OR been discriminated against by your
landlord while living in rental housing,
or when leaving your rental housing?

- Because you are a senior (aged 55+)?
- Because you identify as LGBTQ2S+?
- Because you identify as Black?

If so, researchers want to hear your story!!

The research is called “**Denied Renting: The lived experience of rental discrimination in Canada**” and is being conducted by researchers at the **University of Winnipeg**, on behalf of the funder, Canada Mortgage and Housing Corporation (CMHC). The goals of this project are to better understand the experience of rental discrimination at all stages of a tenancy, in order to develop strategies to prevent discrimination in rental housing.

- Participation involves a **1-hour interview** by phone at a day and time convenient for you.
- The discriminatory event must have happened **more than 2 years ago**, and less than 5.

If you would like to participate or have any questions, please contact the researcher, Scott McCullough, by email s.mccullough@uwinnipeg.ca or phone **204-982-1150**.

Many thanks, and please stay safe and healthy!

***Please note that participation is voluntary, steps will be taken to protect your confidentiality, and participation will NOT impact how or if you receive any services.*
